

How to use

Step 1: Load up signup.html and enter your information to sign in for the equipment service. If you already have an account, skip to step 2.

The screenshot shows a web browser window with a single tab titled "Signup". The address bar displays the file path "C:/xampp/htdocs/CIS_344/signup.html". The page content includes a heading "Signup" followed by three input fields: "Username:" with the value "testuser", "Email:" with the value "example@gmail.com", and "Password:" with masked characters "*****". Below these fields is a "Signup" button. At the bottom of the form, there is a link that says "Already have an account? [Login here](#)".

Step 3: Select the item you want to rent, select the rental date, and select the date you want to return it.

The screenshot shows a web browser window with the title 'Rental Equipment Booking'. The address bar displays 'localhost/CIS_344/equipment.html'. The main content area features the heading 'Rental Equipment Booking' in bold. Below the heading is a form with the following elements:

- Choose Equipment:** A dropdown menu showing 'Camera - \$250.99 / month'.
- Rental Date:** A date input field showing '03/29/2025' with a calendar icon.
- Return Date:** A date input field showing '03/31/2025' with a calendar icon.
- Book Equipment:** A button to submit the booking.

Step 4: Congratulations! You have successfully booked a rental!
